6.04.080 – Cattery

"Cattery" means any establishment wherein any person engages in the business of boarding, breeding, buying, grooming, letting for hire, training for a fee or selling cats; provided, however, that the ownership of cats which are a part of the household shall not constitute the operation of a cattery unless more than two cats aged four months or older are kept in such household. Cattery also does not include any animal control center as defined in this chapter or any pound center as defined in this chapter or any pound or similar facility operated by a subdivision of local, state or federal government.
